

Worldwide Leader in Steaming Equipment Since 1940

Jiffy® Steamer Model J-4000B®

Pro-Line Series

Engineered to last.

The Jiffy® Steamer Model J-4000B® is our professional grade specialty steamer used worldwide by cleaning services, service-oriented businesses, commercial establishments and rental outlets. The J-4000B®, outfitted with Jiffy® Steamer's new specialty brush steam head attachment, is used as a cleaning tool for tough, ground-in dirt and stains. Chemicals and sprays are not necessary to get the tough jobs done. The steam alone kills bacteria on contact.

Scrubbing power is supplied by the stiff-bristled end to direct the tight pattern of steam to the desired surface.

Quality Features:

- Curved 6½" brass pipe directs steam in a tight pattern
- All brass couplings
- Solid die cast aluminum outer housing for durability
- 1500 watt incoloy heating element
- 50/60 Hertz electrical system
- 304 stainless steel internal boiler tank
- No water lines that could become clogged with hard water deposits
- Sight gauge for quick view of water level and sediment build-up
- Color-coded high temperature wiring
- Convenient PREHEAT and STEAM settings
- Fusible link with automatic shut-off for safety
- 360 degree swivel casters for mobility
- 24 hour repair service available
- 230 Volt units available upon request at no extra charge
- UL, CSA, NOM, ANCE, TUV/GS and CE listed
- Made in the USA
- Shipping Weight: 26 pounds
- Carton size: 20" x 12" x 13½"

Jiffy® Steamer's J-4000B® cleans surfaces with the power of steam!
